HISTORY

We are your fairs, in your community, and an important part of Manitoba's history. We are the Provincial Exhibition of Manitoba, established in Brandon in 1882. With the production of three fairs annually, our volunteer-led organization showcases agriculture and links urban and rural communities through education and awareness while providing entertainment, community pride, and economic enhancement to the region. Governed by a Board of Directors, the Provincial Exhibition of Manitoba office is located in the beautiful and National Heritage and Provincial Historic Dome Display Building II

The Provincial Exhibition of Manitoba plays a pivotal role in showcasing the importance of the agricultural industry in our region by hosting the:

ROYAL MANITOBA WINTER FAIR MANITOBA SUMMER FAIR MANITOBA AG EX

During each event, additional staff and hundreds of volunteers work together to ensure its success. Studies indicate that our organization has an economic impact of approximately \$18 million annually to the city of Brandon. Thank you for your consideration and for supporting us during our annual events.

ECONOMIC IMPACT

Each year, the Provincial Exhibition of Manitoba's annual events attract more than 100,000 people and contribute to essential local spending.

PROMOTING AGRICULTURE AND AGRI-FOOD

Through classroom training and interactive hands-on experiences during our events, local students are given the unique opportunity to learn about food sustainability, healthy environment practices and animal care. Every year, programs such as Moo Mania and Ewe Mania at the Manitoba Ag Ex or the Royal Farm Yard during the Royal Manitoba Winter Fair connect with thousands of students throughout Brandon and the surrounding area.

On behalf of the Provincial Exhibition of Manitoba, we look forward to creating a mutually beneficial partnership for years to come. The following pages of this guide should provide more details on how we can do just that.
